

ANGELICA FIRETTO

Clark, NJ - (908) 377-4776

a.firetto@comcast.net

<https://angelicafiretto.wixsite.com/instructional-design>

Skill Summary: Five-year experienced educator and instructional designer who integrates learning and design theory to create curriculum content and assessments in the K-12 music classroom. Teaching methodologies include the ADDIE model of instruction, gamification, and utilizing learning management systems to secure and deliver learning valuables.

EXPERIENCE

TOWNSHIP OF UNION PUBLIC SCHOOLS - Union, NJ

SEPT 2022 - PRESENT

- Created, implemented, and evaluated an original instructional solution about singing technique by administering pre- and post-assessments, microlearning modules, and eLearning courses to a focus class of 15 students
- Communicated with stakeholders about the scheduling and logistics regarding an interim building relocation
- Storyboarded instructional lessons, activities and games suitable for the K-12 music setting

iLEARN SCHOOLS - Clifton, NJ

AUG 2020 - JUN 2022

- Conducted remote, hybrid, and blended learning using Zoom and in-person instruction during the pandemic
- Utilized Seesaw and Schoology learning management systems to secure student grades, assignments, and provide feedback
- Storyboarded instructional lessons, activities and games suitable for the K-12 music setting

EDUCATION

M.S. INSTRUCTIONAL DESIGN, Grand Canyon University

NOV 2022

B.M. MUSIC EDUCATION, Kean University
